Issued by Met Office Aberdeen
at 1600 on Wednesday 27 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain, with snow on high ground for a time, Thursday.

This Evening and Tonight:
A mainly dry but cloudy evening. Rain reaching Galloway by midnight extending to all areas overnight and turning to snow over high ground, with some accumulations in places. Some rain heavy in Dumfries and Galloway. Breezy. Minimum temperature 1 deg C (34 deg F).

Thursday:
Cloudy with further rain and high ground snow, the rain heaviest in Dumfries and Galloway. The snow gradually turning to rain as it eases in the afternoon with gentle thaw. Maximum temperature 5 deg C (41 deg F).

Outlook for Friday to Sunday:
Remaining rain and high ground snow clearing on Friday afternoon and becoming sunnier from north., Mostly dry bright cold weekend but rain and snow may reach the far west later.
